

YMCA Camp Seafarer Camper Code of Conduct

At Camp Seafarer, we do what is right. We are committed to building a safe, inclusive, and welcoming environment for everyone where we treat one another with respect and dignity. As a camper, you are a critical part of creating a place where people feel welcome and valued. You will be responsible for and asked to abide by the tenets of the Good Sport Award by being caring, telling the truth, showing respect, being responsible, and celebrating faith.

Camper Pledge:

At Camp Seafarer, I realize that I will be challenged to set high goals, build new skills, and make lasting friendships. I will be a person of integrity at Camp – upholding our standards of treating others with dignity, respect and compassion, and presenting a positive image of Camp, my cabin, and myself. I will not commit unsafe acts or engage in language that demeans or influences others to act in a manner that is unsafe or unkind. I understand that violating the promises in this Code of Conduct may result in my being dismissed from the Camp community.

- *I will live honestly and be truthful with my cabinmates, my counselors, and all Camp staff.*
- *I understand that stealing and vandalizing property will not be tolerated.*
- *I understand that the use of language that is sexual in nature will not be tolerated.*
- *I understand language or behavior that diminishes others will not be tolerated.*
- *I understand that the possession, use, and discussion of drugs, alcohol, tobacco, fireworks, or firearms is not tolerated at Camp, unless I am discretely looking for guidance from my counselors or someone on the Camp staff.*
- *I understand that "pranks" are not a part of and have no place at Camp.*
- *I understand that I must follow and help others to follow all the safety rules.*
- *I will not bully or exclude my fellow campers, and I will report if I am witness to this behavior.*
- *I understand that fighting is never acceptable, no matter what.*
- *I understand that if I am present while a rule is being broken and I do not walk away, I am essentially breaking that rule myself.*
