Golf clubs, fishing rods and tackle boxes may not be stored in the cabins; campers will keep them in designated communal storage locations.

ADDITIONAL PRO TIPS:

- **Complimentary laundry service** is provided twice during the session.
- **Packing in duffle bags/collapsible bags is recommended** as storage space above lockers is limited.
- **Is your camper taking Camp-provided transportation on Closing Day?** Review the packing & luggage shipping requirements on the 'Departure' page under the 'Camp Prep' tab at SeaGull-Seafarer.org.
- **Scan to ship your camper's luggage to or from camp:**
- **We recommend bringing clothing, shoes and items that you and your camper would not be disappointed to lose.** Camp is not responsible for any loss incurred.
- **To provide the safest cabin environment, each camper has access to one electrical outlet** and may bring only one electrical clip-on fan. Power strips or personal extension cords may not be plugged into to any cabin outlets. Campers are welcome to bring one additional battery-powered clip-on fan. Camp provides all necessary extension cords. Please leave all electrical and battery-powered string lights at home. Battery-powered flashlights, headlamps and book lights can be used for additional lightning in the bunks.
