

## YMCA CAMP SEA GULL • CAMP SEAFARER

### Weekend Activities

Spend the weekend enjoying our land and water activities. Your weekend may include, but is not limited to:

- Archery
- BB Guns
- Tennis
- Golf
- Fishing (please bring your own equipment)
- Canoeing
- Kayaking
- Stand Up Paddleboarding
- Sharkstooth Hunting
- Zipline
- Powerboat Rides
- Sailboat Rides
- "Sunfish" Sailing
- Creative Arts
- Bike Riding (must bring your own or rent-see Bike Rental pdf)

Aquatics (Rotating Activities: Slides, Rope Swing, Diving Boards, Blob, the Pool, and the Swim Lake)

As an added bonus, we sometimes have local artisans come and share their talents and abilities with us and we are thrilled that you will have the opportunity to meet members of our community. Sign-ups for these sessions are done at check-in and are filled on a first-come, first-served basis. Spaces for their instruction or craft sessions are limited.

We have several places around Camp for you to enjoy fishing, however we do not provide the equipment or bait for this activity. Feel free to bring your own gear for our freshwater ponds and/or the brackish waters of the Neuse River. We are a catch and release facility. If you have questions or needs for fishing, Neuse River Bait and Tackle is located on NC Hwy 55 in Grantsboro, NC and can be reached at (252) 745-0708.

Please note that some activities are heavily dependent on weather—and while it is our goal to always have as many activities open and available as possible, our staff will always prioritize the safety and well-being of those on Camp.
