

## YMCA CAMP SEA GULL • CAMP SEAFARER

### Weekend Activities

Spend the weekend enjoying our land and water activities. Your weekend may include, but is not limited to:

- Archery
- BB Guns
- Tennis
- Golf
- Golf Ball Trail Beach
- Fishing (please bring your own equipment)
- Canoeing
- Kayaking
- Paddleboarding
- Sharkstooth Hunting
- Zipline
- Powerboat Rides
- Sailboat Rides
- Sailing Clinics
- Creative Arts (Camp Seafarer Only)
- Bike Riding (must bring your own or rent-see bike rental pdf)
- Aquatics (Rotating Activities: Slides, Rope Swing, Diving Boards, Blob, the Pool, and the Swim Lake)

As an added bonus, we sometimes have local artisans come to Camp Seafarer Creative Arts and share their talents and abilities with us and we are thrilled that you will have the opportunity to meet members of our community. These sessions are filled by sign-ups upon check-in and are on a first-come, first-served basis. Spaces for their instruction or craft sessions are limited.

Please note that some activities are heavily dependent on weather—and while it is our goal to always have as many activities open and available as possible, our staff will always prioritize the safety and well-being of those on Camp.
